

A new landmark emerges in Devonport

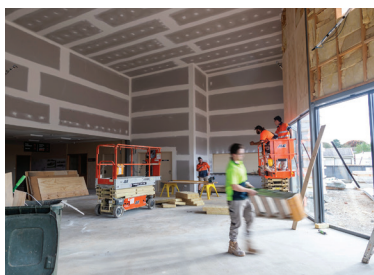

Devonport Church of Christ is located at the intersection of Steele and William Streets Devonport. Located opposite a KFC and Hungry Jacks it is one of the busiest intersections in the city.

Senior Minister Blake Moore (pictured) and the team have worked tirelessly through three years of planning and stewardship and a further year of construction to ensure the development is completed in 2021. Devonport's "Daring Faith" giving program demonstrated the faithfulness and generosity of God's people, raising more than half of the \$1.50m required to complete the project. CCFS was delighted to partner with the church to provide the balance of the funding for what will be a landmark in the city of Devonport.

The project includes the renovation of the existing interior and exterior spaces as well as a range of new multi-purpose facilities, foyer extension, offices, outdoor BBQ area and a children's play area that makes those at KFC and Hungry Jacks look second rate. Blake has installed a glass wall and spotlight to ensure everyone who passes by knows about it too!

He says "We are grateful for God's provision and how these buildings will serve our community and advance the Kingdom of God." Thanks to you Blake and the team for allowing CCFS to be part of the story.

Team Update – Peggy Harker

A very special team update for this newsletter.

A much-loved member of the CCVT accounting team Peggy Harker was baptised in March this year. Her baptism was conducted by Greg Illingworth (left) and David Ratten (right). It was a beautiful declaration of her faith and love for God.

Congratulations Peggy!

Shot of Inspiration

“*And everything I've taught you is so that the peace which is in me will be in you and will give you great confidence as you rest in me. For in this unbelieving world, you will experience trouble and sorrows, but you must be courageous, for I have conquered the world!*”

Helpful Hints

Ensuring A Smooth Transition to your new Visa Card

Current CCFS Visa card holders will receive a new card between late July to mid-August 2021. Your current and new cards will both be operational for several weeks to ensure card holders have access to funds during the transition period.

Once the new card has been received and activated:

1. Contact your employer to request a transfer of funds from your CCFS MEA account to the new card.
2. Any funds remaining on the old Visa Card must be used by the end of the transition period.
3. Please note: both cards will be operational for the transition period only.
4. Prior to the end of the transition period, we recommend cardholders print a transaction listing of old card transactions.
